

# Jitendra Singh

"I am a hard-working and passionate B tech.(CSE) final year student currently looking for a productive role that suits my ability and allows me to grow my skills. I would like to utilize my skills as well as my passion for practical aspects to enhance my skills as well as to boost my career growth. Moreover, I would like to work with other professionals to improve my skills which will allow me to grow and further contribute in the field of Computer Science. I am very practical towards my schedule and ready to take challenges. I can handle responsibilities and can manage time very efficiently"
